

Andrew WK - Party Hard

Riff - Intro

Start on E (piano on its own).

The riff is something along the lines of this:

EEEE B AAA G# F#F#F#F# C#BBBB E b EEEE

I've found going from a conventional A to the bar version for the descending part works quite well. Then for the verse and chorus I just play a simplified set of chords.

I've simplified the chords in the song
